Profile

Hey! Here's a little about me... I'm Gopalakrishnan, and I'm super excited about the world of computer science! I'm currently diving into my Bachelor's degree at Mangalam College, and I'm really passionate about learning new things. I've got a good handle on Python, Java, and C++, and I'm also exploring web development with HTML and CSS. And guess what? I've recently completed my Google AI course, Microsoft Azure AI course, and multiple web development courses! I'm a quick learner, and I love tackling challenges.
